

**MAXPACKERS<sup>®</sup>**

Customised Corrugated Solutions

## COMPANY OVERVIEW

Conceived in the year 2009, Max Packers with a capacity of 125 Tonnes per month, started manufacturing High Quality Corrugated Boxes from a rented premises in the city of Jalandhar, Punjab.

The strong determination combined with hard work & focus on customer satisfaction resulted in increased business. This growth in business volume paved the way to the new premises. We moved into our current factory in the year 2011, fully equipped with modern machines both Indigenous & Imported with a capacity of 400 Tonnes per month.

The journey didn't stop here.

The Zest for excelling in all fronts including Production Quality, Service, Innovation & Timely Delivery of end products resulted in increased client base.

In April 2015, in order to meet the increased demands of our esteemed clients, the second production unit was set up which expanded the total covered area of our factory to 20,000 sq. ft. thereby enhancing the production capacity to 600 tonnes per month.

The journey continuous towards pinnacle....
